

How to Reach Villa Carolina

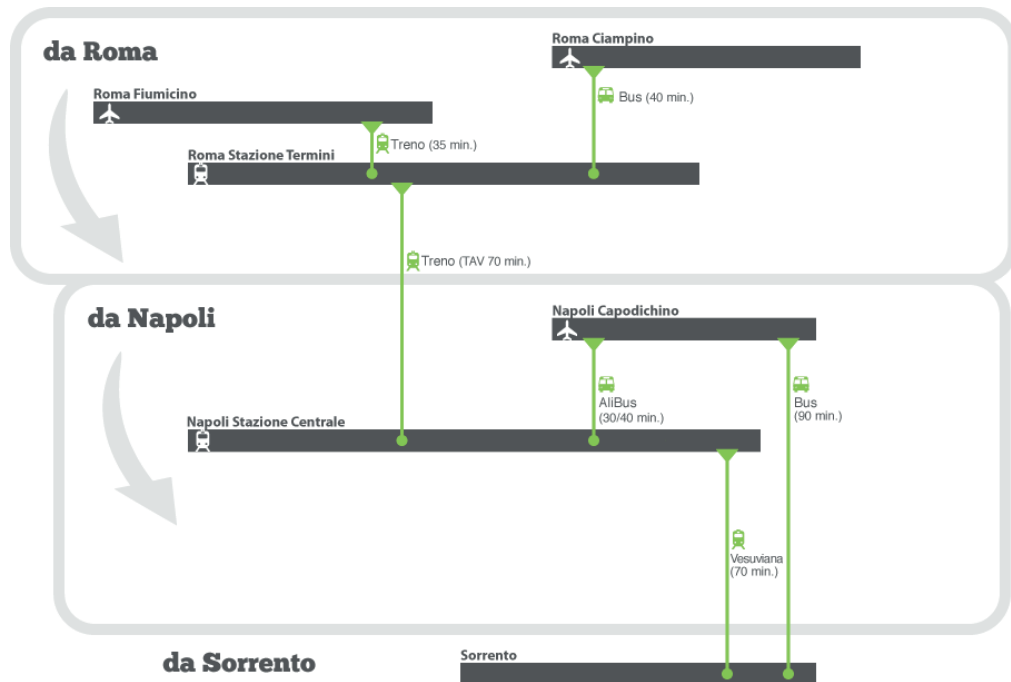

Villa Carolina
Country House

Villa Carolina is in **Priora**, a hilltown 7 kilometers from Sorrento.

Please Note:

Follow the street directions here below rather than GPS or sat nav devices, as many choose routes along difficult country roads best avoided.

How to Reach Villa Carolina from the Center of Sorrento

By car:

After crossing the bridge into Sorrento, continue straight. At the intersection, turn left and then, at the traffic circle, turn right onto Via degli Aranci. Continue along this road, turning left at the intersection towards “Massa Lubrense -Sant’Agata”. After about 1 kilometer, turn left at the intersection onto Via Nastro Verde, following the signs to “Sant’Agata”. After about 3 kilometers, most GPS devices will suggest turning left onto Via Crocevia, but instead continue straight. Turn left at the sign for “Priora”. Continue along this road until you reach the main square of the town, with the church on the left. Continue straight for another kilometer, pass the sports field, and continue on for another 500 meters down Via Priora. Turn left on Via Santa Maria del Toro: you’re here!

Please note: though your gps device may direct you uphill along Via Parisi, DO NOT take this road. Continue straight and enter the town of Priora.

With public transportation:

The Coopertativa Tasso bus for Priora (final stop) departs from Piazza Tasso. The stop is located at the beginning of Corso Italia in front of a shoe store on the corner of the main square. Tickets cost €1.20 and can be purchased on board.

Otherwise, the Sita bus Sorrento - Sant’Agata (Via Nastro Verde) leaves every 40 minutes from the Sorrento train station. You must purchase your ticket before boarding from the ticket office or the newspaper stand at the train station.

How to Get to Sorrento

By Car

From the North

Take highway A2 Milano-Napoli (also known as the "Autostrada del Sole") , then follow along highway A3 Napoli - Salerno to the Castellammare di Stabia exit.

From the East

Take highway A-16 Bari-Napoli, which merges into highway A/3 Napoli - Salerno. Follow until the Castellammare di Stabia exit.

From the South

Take highway A/3 Reggio Calabria - Salerno toward Naples (Napoli) to the Castellammare di Stabia exit.

After the Castellammare di Stabia Exit

Continue straight along the provincial highway S.S. 145. After passing the towns of Meta, Piano, Sant'Agnello and Sorrento, follow the signage for Villa Carolina.

By Public Transportation

How to Reach Sorrento from the Capodichino Airport

• Bus

From the Capodichino terminal, the Curreri bus runs directly to Sorrento.

Bus schedules are posted on their site:

<http://www.curreriviaggi.it/>

In summer, there are frequent routes and tickets can be purchased directly on board for €10.

• Circumvesuviana

If there is more than an hour wait for the Curreri bus when you arrive, consider taking the Circumvesuviana instead. This local train route connects Naples and Sorrento. To get to the train station from the airport, take the

Alibus bus which departs from Capochino. Tickets cost €4 euro and can be purchased on board. Get off at Piazza Garibaldi (first stop). After reaching the station, take the stairs down following the signage for "Circumvesuviana". Or you may want to consider taking the high speed ferry from the Molo Beverello pier.

How to Reach Sorrento from the Piazza Garibaldi Train Station

Piazza Garibaldi is the main train station in Naples, where all high speed trains arrive and depart. The Circumvesuviana station is located on the lower level, where trains for the Naples - Sorrento line arrive and depart.

Tickets for Sorrento cost €3.60 and trains depart roughly every 20 minutes for an hour long ride. Usually trains depart from track 3, but be careful as other train lines also run along this track which do not go to Sorrento. Make sure you do not accidentally board a train for Sarno or Poggiomarino!

Keep in mind that the Circumvesuviana trains are often crowded and there is no storage space for luggage. If you would like a more comfortable transfer, we suggest you book a private car service.

How to Reach Sorrento from the Naples Port

A fun and easy way to reach Sorrento is with the high speed ferry which departs from the Molo Beverello pier and reaches the port of Sorrento in 40 minutes. The Beverello pier is in Piazza Municipio, which can be reached from the airport with the Alibus bus (second stop, Piazza Municipio/Molo Beverello). The route runs frequently and you can check the schedule here:

<http://www.alilauro.it>

Keep in mind that the high speed ferry routes are suspended in case of rough seas, so with high winds it's a good idea to check that the ferries are running by calling the navigation office (+39 081 4972252). At the Sorrento port, you can stop for an espresso at the Bar Ruccio, which is run by the same family which hosts guests at Villa Carolina. There you can get all the information you need to reach the hotel.
